

Next Generation U.S. DoD/Uniformed Services ID Card Identification Chart

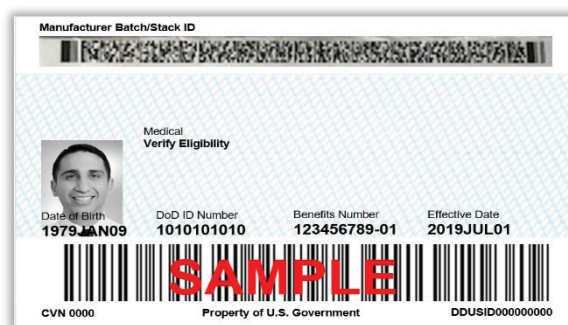

Initial issuance of the Next Generation Uniformed Services Identification (USID) card will begin in July 2020 at select DoD ID card facilities, with phased implementation at all DoD ID card facilities projected to be complete by December 2020. The Next Generation USID card transitions the current card to plastic cardstock with enhanced security features and updated topology; the Next Generation USID card does not change the populations who are eligible to receive the current card.
