

COMMUNITY-BASED CHILDCARE OPTIONS

ARE YOU LOOKING FOR CHILDCARE BUT LIVE TOO FAR FROM A MILITARY BASE?

There may be another option for you. Visit [MilitaryChildCare.com \(MCC\)](https://militarychildcare.com) to search for available community childcare options near you. MCC is a DoD-sponsored tool to search and register for military childcare and acts as a gateway to reach civilian childcare programs that are military approved. Once you select a community childcare program, you may also be eligible for financial support through the Off Base Child Care Fee Assistance Program. Eligibility is not based on income, so check out the site for details.

If you have a school-age child, you may be eligible for a free membership to your local Boys and Girls Club.

- Go To: [BGCA.org/military](https://bgca.org/military) and locate the “Find A Club” feature.
- Enter your zip code to view results.
- Check to see if this club is on the list of participating clubs.
 - If yes, reach out directly.
 - If not, send an email to MYO@bgca.org to request the club’s participation.

Connect with your local Child & Youth Programs to learn more about childcare options.
